

FACULTY PROFILE

Prof. Pravin Madhukar Thorat

pravin.thorat@srttc.ac.in

Designation: Asst. Prof.

Educational Qualification: ME Civil (Structure) Engineering

Experience in Years: 07

Research Area: -

Professional Memberships:

Society	Membership No.
Life Member, The Indian Society for Technical Education	-

Subject Taught:

- Structural Design and Drawing-III
- Structural Analysis-II
- Mechanics of Structure

Professional Development

Workshop/ Seminar/ STTP/FDP Attended:

- STTP on Water management and its conservation
- Entrepreneurship awareness camp.
- Workshop on structural dynamics and earthquake resistant design.
- Workshop on recent development in Civil Engineering.

Research Contribution

Conference /Journal / Patents / Book Publications:

- Use of RC walls in strengthening of multistoried building with soft storey at different levels.
- Vibration control in elevated storage reservoir.
- Comparative study of concrete using different fibers.
